IT'S A WRAP

PRESIDENTS MESSAGE

Dear Friends of WRAP,

I know we all spent our Spring sheltering-in-place and hoping this would be all over by now. Well, Summer is here and we are still getting used to the new normal...

Some of us are starting to get out more while enjoying the warm weather, however making sure we remember to bring a mask, practice social distancing, and wash our hands often! The vet visits have a new look and feel...call before you come, wait in your car, call them from the parking lot, allow them to take your furbaby in without you, etc. The groomers finally opened up...thank God! How many of you had Westies that looked like a miniature English sheepdog and/or Komondor? The dog parks are also opening up, however you can only enter if you can easily maintain at least six feet of separation from all other persons.

As you recall we cancelled the WRAP Walk in the Park and annual Spring Fun Day events. I wish we could reschedule those events, however we are still being cautious and mindful of the rules on limiting the number of attendees at social gatherings. I am hopeful that things will improve and we will be able to have our Autumn Fun Day. Keep an eye on your email and/or Facebook for a WRAP announcement.

We have seen an increase in the number of Westie lovers that are interested in fostering and/or adopting a Westie, however we have not had many Westies come our way since the last newsletter. Be sure to check out our two latest special Westies (Kenna & Spencer).

Please let me know if you have any thoughts you need/want to share with me at susan.acevedo@westierescuenorcal.org .

I hope everyone stays healthy and safe,

Regards,
Susan Acevedo, WRAP President

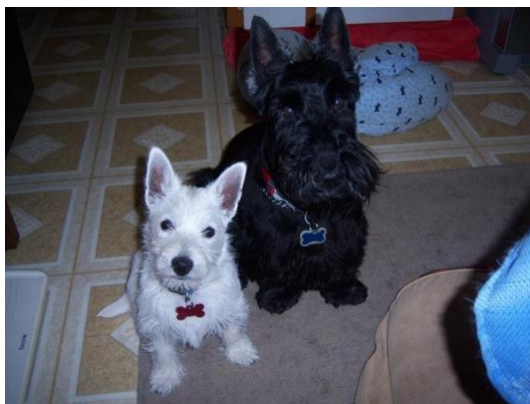

P.S. Happy Summer 2020 ❤️ Hamish

RESCUE NEWS

Kenna- We rescued Kenna at the beginning of the Pandemic. She was 11 weeks old. She was placed in a Foster-Adoptive home. She has grown and thrived over the past few months. She is waiting to be spayed in a few weeks and then her adoption will be finalized.

Day 1

With Brother Jack

Spencer- Spencer came to us from a Bay area shelter. They weren't sure if maybe he was a mix Westie and Chinese Crested (a hairless breed). In fact Spencer had lost about $\frac{3}{4}$ of his hair due to a very bad yeast and bacterial infection on his skin. He was a stray on the streets at just 12 $\frac{1}{2}$ pounds. Spencer is a very affectionate, loving and cuddly boy. However he is full of "westitude". Although he gets along with other dogs generally, he has some food aggression and toy aggression which can be a problem. He has been with us for over a month now and his fur is returning.

Corporate Donation Programs

Many corporations have programs that allow employees to donate to charities and will, in many cases, do matching funds. WRAP (Westie Rescue and Placement of Northern California) is eligible for many of these programs. We are currently registered with Cisco, Hewlett Packard Enterprises and Wells Fargo Bank. This is a painless way to donate and maximize your donation to help Westies.
